IT IS HEREBY STIPULATED by and between Justin J. Gilio, Assistant United States Attorney, and Defendant, MORGAN WENCY VENTURA-SANCHEZ ("Mr. Ventura"), by and through his Attorney of Record, Michael Mitchell, that certain Conditions of Release should be amended, specifically, the home detention and no cellular device portion of the Conditions of Release.

On November 2, 2020, Mr. Ventura-Sanchez was released on Pretrial Supervision into the third-party custody of his godfather, pursuant to posting a \$300,000 collateral bond and surrendering his passport. He was released to WestCare for a 90-day residential substance abuse treatment program, with Location Monitoring upon his successful completion of the residential program at WestCare, with Home Detention.

1 On February 1, 2021, he successfully completed the WestCare residential program and  
2 was immediately placed on the Location Monitoring Program. Since that time, he has been  
3 amenable to all required Court appearances; however, due to the COVID-19 pandemic, all Court  
4 appearances have been virtual. He is currently scheduled for a sentencing on October 4, 2021 at  
5 10:00 a.m.

6 Pre-trial services in agreement with the proposed changes to the Conditions of Release,  
7 due to the fact, that Mr. Ventura-Sanchez, has made all required Court appearances, has  
8 participated in substance abuse treatment and testing with no positive drug tests, has maintained  
9 a stable residence with his third-party custodian, has not had any new arrests or citations by law  
10 enforcement, and has complied with all rules and regulations of Pretrial Services. He also  
11 secured employment at Vallarta Supermarkets. Mr. Ventura-Sanchez has completed the 90 days  
12 on the curfew component as of August 11, 2021.

13 Mr. Ventura-Sanchez is now employed full time with Vallarta Supermarkets and has  
14 remained in full compliance with all of his conditions of release and, especially fully adhering  
15 with the location monitoring program and the drug testing and individual counseling program  
16 rules. His third-party custodian reports no issues or concerns with Mr. Ventura-Sanchez.

17 Pretrial Services is, accordingly, recommending that Mr. Ventura-Sanchez be removed  
18 from location monitoring program as specified in condition 7(q) of the Conditions of Release.

19 **All other Conditions of Release, not modified herein, will remain in full force and**  
20 **effect.**
